RE: SCHOOL DIRECTORY 5771

Dear Families,

You shall love your neighbor as yourself.
Leviticus 19:18

As we continue to work to create a community of involved parents and students, we hope to facilitate communication by again publishing a School Directory this year. All names will be included unless we have a written request to exclude your information. Included in this Directory will be family and student name by grade, student's Hebrew name (please be sure we have your child's Hebrew name), address, family email and phone.

We hope you will use your Directory to be in touch with old friends; to make new friends; to facilitate students calling a classmate to read Hebrew together; or just to have quick reference in case you might want to contact someone for information.

It is our intention to distribute the Directory beginning late October.

Irene Bolton,
Director of Lifelong Learning
